

<b>HAWAII HEALTH SYSTEMS CORPORATION HUMAN RESOURCES 3675 KILAUEA AVENUE HONOLULU, HAWAII 96816</b>	<b><u>C O N F I D E N T I A L</u> REQUEST FOR STATE AND FEDERAL CRIMINAL HISTORY RECORD CHECKS</b>
-----------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------

Criminal history records checks for federal and state convictions are periodically conducted as required of all persons providing services to and/or receiving clinical instruction from HHSC. Information requested here is needed to make determinations as to whether any conviction has a bearing on your fitness to provide services or eligibility to receive clinical instruction at HHSC. Convictions, other than those noted on the HHSC application, will not automatically disqualify you; however, a suitability investigation may be conducted depending on when the conviction occurred and the type(s) of conviction(s). As a general rule, individuals with a conviction that bears a rational relationship to the position and/or service area, that falls within the past 10 years (excluding periods of incarceration), may render you unsuitable. Also, certain convictions such as an assault on a patient are automatic grounds for disqualification. During this suitability investigation period, you may not, at the discretion of HHSC, be allowed to perform services or receive clinical instruction until the investigation is completed.
